Re: StorageTek Patent

Dear Mr. Szuma:

I am writing in response to your letter dated March 15, 2002, which was in response to my letter of February 6, 2002.

As I indicated in my letter of February 6, Mr. Kuik has completed his review of StorageTek's draft patent application and is prepared to provide his comments and feedback. However, as I also indicated, StorageTek should be willing to agree that it will not use any of Mr. Kuik's communications and work on this draft patent application against him or Cisco. You indicated that such an agreement may be possible but requested some clarification. To satisfy your request, I have set forth such an agreement below which you may sign and return to me.

Very truly yours,

Joseph W. Hammell
